Dear Prof. Francisco Nociti Jr.,

It is a pleasure to accept your manuscript entitled "Impact of Porphyromonas gingivalis-inoculation on ligature-induced alveolar bone loss. A pilot study in rats" in its current form for publication in Journal of Periodontal Research.

In order to proceed with the publication process, and, if you haven't done so already, please make sure that you have sent us a completed and signed Copyright Transfer Agreement. No paper will be processed for publication before the receipt of a Copyright Transfer Agreement. You can retrieve the Copyright Transfer Agreement at: www.wiley.com/go/ctaaglobal . It should be returned by fax or scanned by email to:

Enrico Jay Ventura, Production Editor
Fax: +65 6511 8288
Email: jre@wiley.com

If you wish your paper to be OnlineOpen you are required to complete the combined payment and copyright licence form available from our website at: http://www.blackwellpublishing.com/pdf/JRE_OOELF.pdf

If you do not wish your paper to be OnlineOpen, you are required to complete the standard Copyright Transfer Agreement form available from our website at: <http://media.wiley.com/assets/1540/86/ctaaglobal.pdf>
Papers cannot be published until ONE of the above two completed forms has been received.

OnlineOpen

OnlineOpen is a pay-to-publish service from Wiley-Blackwell that offers authors whose papers are accepted for publication the opportunity to pay up-front for their manuscript to become open access (i.e. free for all to view and download) via the Wiley InterScience (WIS)/Wiley Online Library (WOL) website. Each OnlineOpen article will be subject to a one-off fee of

Â£1525 (equivalent to \$3000) to be met by or on behalf of the Author in advance of publication. Upon online publication, the article (both full-text and PDF versions) will be available to all for viewing and download free of charge.

Online production tracking is available for your article through Wiley-Blackwell's Author Services. Author Services enables authors to track their article - once it has been accepted - through the production process to publication. Authors can check the status of their articles online and choose to receive automated e-mails at key stages of production. The author will receive an e-mail with a unique link that enables them to register and have their article automatically added to the system. Please ensure that a complete e-mail address is provided when submitting the manuscript. Visit <http://authorservices.wiley.com/bauthor> for more details on online production tracking and for a wealth of resources including FAQs and tips on article preparation, submission and more.

Thank you again for your fine contribution. On behalf of the Editors of Journal of Periodontal Research, we look forward to your continued contributions to the Journal.

Sincerely,

Prof. Jorgen Slots
